A sale of property for which a membership has been issued must include the membership in the Association, and the conveyance of any such property shall be conclusively deemed to be a transfer of the membership in the Association.

Any property in the Village West Fifth Filing that is a member of the Village Green Pool Association must surrender their membership certificate to, and resolve any unpaid assessments with, the Village Green Pool Association before becoming a member of the Foothills Green Pool Association.

Section 2. Semi-Annual Meetings: Two general meetings of the members shall be held each year at such place as may be designated by the Board of Directors on the first Wednesday in March and the second Wednesday in September, beginning with September 1983. At such March meeting, the recommended budget shall be presented for adoption or modification, and such other business shall be transacted as may come before the meeting. At such September meeting, directors shall be elected and such other business shall be transacted as may come before the meeting. Failure to hold the semi-annual meetings as designated shall not effect a dissolution or forfeiture of the Association.

Section 3. Special Meetings: Special meetings of the members may be called by the President or by the Board of Directors and shall be called by the President at the request of not less than ten percent (10%) of the members of the Association entitled to vote at a meeting.

Section 4. Place of Meeting: The President or the Board of Directors may designate the place for any semiannual or special meeting of the Association. If no designation is made, the place of the meeting shall be the registered office of the Association.

Section 5. Notice of Meeting: Written or printed notice stating the place, day and hour of the meeting, and, in case of a special meeting, the purposes for which the meeting is called, shall be delivered not less than ten nor more than fifty days before the date of the meeting, either personally or by mail, to each member entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the member at the member's address as it appears in the records of the Association, with postage thereon paid.

Section 6. Voting: Each membership shall be entitled to one vote. In the event a membership is issued in more than one name, each owner of the membership may cast a percentage of one vote equal to the percentage of ownership he or she has in the membership. Cumulative voting shall not be allowed.

Section 7. Quorum: Members holding 1/20th of the votes entitled to be cast on any matter to be voted on, represented in person or by proxy, shall constitute a quorum at any meeting of the members of the Association. If a quorum is present, the affirmative vote of a majority of the members present at the meeting and entitled to vote on the subject shall be the act of the members. If less than a quorum is present at a meeting, a majority of the members so represented at the meeting may adjourn the meeting from time to time without further notice. At any such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally called. Members present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum.

Section 8. Proxies: At all meetings of members, a member may vote by proxy executed in writing by the member or his duly authorized attorney-in-fact. Such proxy will be filed with the Secretary of the Association before or at the time of the meeting. No proxy shall be valid after eleven months from the date of its execution unless otherwise provided in the proxy.

ARTICLE III BOARD OF DIRECTORS

Section 1. General Powers: The business and affairs of the Association shall be managed by its Board of Directors except as otherwise provided in the laws of the State of Colorado.

Section 2. Number, Tenure and Qualifications: There shall be seven directors of the Association. The term of each office for each director shall be two years. The number of directors of the Association may be changed by the members at any semi-annual meeting.

Section 3. Vacancies: Any director may resign at any time by giving written notice to the President or to the Secretary of the Association. Such resignation shall take effect at the time specified therein and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. If notice given by telegram, such notice shall be deemed to be delivered when the telegram is delivered to the telegraph company. Any director may waive notice of any meeting. The attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the purpose of, nor the business to be transacted at, any regular or special meeting of the Board of Directors needs to be specified in the Notice or waiver of notice of such meeting.

Section 7. Quorum: A majority of the directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, but if less than such a majority is present at a meeting, a majority of the directors may adjourn the meeting from time to time without further notice.

Section 8. Manner of Acting: The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors.

Section 9. Compensation: No director shall be compensated for serving as a director of the Association. Directors, however, may be reimbursed for expenses incurred on behalf of the Association.

Section 10. Presumption of Assent: A director of the Association who is present at a meeting of the Board of Directors at which action on any Association matter is taken shall be presumed to have assented to the action taken unless his dissent shall be entered in the minutes of the meeting, or unless he shall file his written dissent to such action with the person acting as the secretary of the meeting before the adjournment thereof, or shall forward such dissent by registered mail to the Secretary of the Association immediately after the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

Section 11. Executive Committee: The Board of Directors, by resolution adopted by a majority of the directors, may designate two or more directors to constitute an Executive Committee, which shall have and may exercise all of the authority of the Board of Directors or such lesser authority as may be set forth in said resolution. No such delegation or authority shall operate to

relieve the Board of Directors or any member of the board from any responsibility imposed by law.

One person may hold any two or more offices, except that no person may simultaneously hold the offices of President and Secretary. In all cases where the duties of any officer, agent or employee are not prescribed by the By-laws or by the Board of Directors, such officer, agent or employee shall follow the orders and instruction of the President. shall be without prejudice to the contract rights, if any, of the person removed. Election or appointment of an officer or agent shall not in itself create contract rights.

Section 4. Vacancies: A vacancy in any office, however occurring, may be filled by the Board of Directors for the unexpired portion of the term.

Section 5. President: The President shall, subject to the direction and supervision of the Board of Directors, be the chief executive officer of the Association and shall have general and active control of its affairs and business and general supervision of the officers, agents, and employees. He shall have such other powers and perform such other duties as may be from time to time prescribed by the Board of Directors or the President. The Assistant Treasurers, if any, shall have the same powers and duties subject to the supervision of the Treasurer.

ARTICLE V MEMBERSHIP

Section 1. Transfer of Membership: As provided in Article II above, membership shall attach to property eligible for membership in the Association and no membership shall be transferred or assigned except in connection with the sale or conveyance of the property to which the membership relates. The conveyance of any property for which a membership has been issued shall be conclusively deemed to be a transfer of the membership of the association.

Section 2. Pool Usage: Only the occupants of the property to which the membership is attached are eligible to exercise the privileges of the membership.

ARTICLE VI DUES AND ASSESSMENTS

Section 1. Annual Budget and Dues: The Board of Directors shall present to each March meeting of the members a recommended budget for the coming year having two separate and distinct expenditure accounts. One part details all operating expenditures, the other details all capital expenditures. Such presentation shall also include a recommendation for the amount of dues to be paid by members in order to meet such a budget. The members shall either adopt or modify such budget at the March meeting and establish the dues to be paid by the members for the budget year. The approved budget shall be binding upon the Board of Directors and no expenditures shall be made by the Board in excess of the total amount provided for in each of the two separate and distinct expenditure accounts. If at any time during the fiscal year it appears that either one of the separate and distinct expenditure accounts may or will be exceeded, increases to either account must be approved by the members of the Association at a special meeting of the Association called by the Board. The time for payment of dues shall also be established at the March meeting.

Section 2. Special Assessments: Special assessments for the purpose of defraying the cost of construction, reconstruction, repair or replacement of capital improvements may be made by members of the Association at any semi-annual or special meeting of the membership.

Section 3. Dues Increase: Any increase in the annual dues within a fiscal year must be approved by the general membership of the Association at the September general meeting, or at a special meeting called by the Board of Directors for that purpose. The announcement of the special meeting must meet the requirements of Article II, Section 3.

Section 4. Lien Against Property: Any unpaid dues or assessments shall constitute a lien against the real property of the member to which the membership relates. Such lien shall be subordinate to the lien of any first mortgage against such property, and the sale or transfer of any property pursuant to mortgage foreclosure, or any proceeding in lieu thereof, shall extinguish the lien for any assessments or dues which became prior to such sale or transfer. No such sale or transfer shall relieve any property from liability for any dues or assessments thereafter becoming due or from the lien itself.

Section 5. Effect of Nonpayment of Assessments or Dues: Any assessments or dues not paid within thirty (30) days after the due date shall bear interest at the rate of eighteen percent (18%) per annum. The Association may bring an action at law against the member obligated to pay such dues or assessments in order to collect the same or may foreclose the lien against the property above provided for. In the event the Association incurs attorney's fees or other costs in order to collect any dues or assessments due hereunder, the amount of such attorney's fees or costs shall be paid by the member and shall be added to the amount due from the member. The lien against the property on account of dues and assessments shall include attorney's fees and costs incurred by the Association in order to collect the dues or assessments.

Section 6. Uniform Rate of Assessments and Dues: All dues and assessments payable by homeowner members of the association shall be fixed at a uniform rate for all members.

Notwithstanding the foregoing, the Board of Directors may contract with the developer of the property to be served by the Association for differential dues payable by such developer or other expenses paid by the developer. Such differential rate shall terminate upon conveyance by the developer to any other party, and thereafter full dues and assessments shall be owing.

Section 7. Denial of Use of Facilities: The Board of Directors shall deny use of facilities to any member whose dues or assessments are not current, unless the Board decides that there are extenuating circumstances and specifically gives the member affected permission to use the facilities. Denial of the use of facilities pursuant to the foregoing shall not excuse any member from paying any dues or assessments whether the same became due before or during the time a member was denied use of facilities.

Section 8. Abandonment and Nonuse: Membership in the Association is not subject to abandonment, and no member may waive or otherwise escape liability for dues and assessments by non-use of facilities or attempted abandonment of a membership.

ARTICLE VII RULES AND REGULATIONS

The Board of Directors shall have authority to adopt and post such rules and regulations as it deems necessary for the proper operation of the facilities of the Association and may fix such penalties as it deems fair and equitable for the violation of rules and regulations. Such penalties may include barring use of facilities of the Association for a designated period of time.

ARTICLE VIII MISCELLANEOUS

Section 1. Waiver of Notice: Whenever notice is required by law by the Articles of Incorporation of the Association or by these by-laws, a waiver thereof in writing signed by the person entitled to notice whether before, at, or after the time stated therein, or appearance at a meeting in person or by proxy shall be equivalent to such notice.

Section 2. Amendments: The membership of the Association shall have the power to make, amend, and repeal the by-laws of the Association at any regular meeting of the membership of the Association or at any special meeting of the membership of the Association called for that purpose. Any proposed change to the by-laws must be presented to the membership in writing at the time notification is given of the meeting in which the proposed change will be considered.

The undersigned, as Secretary of the Association, hereby certifies that the foregoing is a true and correct copy of the by-laws adopted on the 14th day of September, 1994.

Secretary
